Notes to the Consolidated Annual Accounts

NOTE 1 – GENERAL INFORMATION

MG RE Invest S.A. (formerly M.G. Invest N.V.) -hereafter the "Company"- was incorporated on December 10, 2007 as a public limited company governed by the laws of Belgium.

As per extraordinary general meeting held on December 11, 2017, the Company has been converted into a "Société Anonyme" under the Luxembourg Law of August 10, 1915 ("the Luxembourg law"), for an unlimited period. The registered office, the principal establishment and the central administration of the Company have been transferred from Belgium to Luxembourg with immediate effect and without prior dissolution of the Company ("the transfer") but in continuation of the legal entity in the Grand Duchy of Luxembourg and in conformity with the Luxembourg law. The corporate denomination of the Company has been simultaneously changed into MG RE Invest S.A. The registered office of the Company is established at 5, Rue Heienhaff, L-1736 Senningerberg.

The objective of the Company is, either for its own account or on behalf of third parties/clients or through participation or as intermediary or on the basis of commission, or in any other similar manner, in Luxembourg or abroad:

- to participate in domestic and/or foreign legal entities and/or companies, whether existing or newly established, by subscription, contribution, exchange or otherwise;
- to buy, manage, rent and sell immovable property;
- to manage companies and legal entities;

- to provide services and advice in the broadest sense to enterprises and companies of all kinds, including in the areas of administration, management, business organisation, promotion and information technology;
- to exercise the position of director, manager or authorized representative in enterprises and companies;
- to participate in and manage the interests in enterprises and companies;
- to perform all intermediary activities aimed at the sale, purchase, exchange, renting or abandonment of immovable property, immovable property rights and trade funds;
- the acquisition, disposal and management of movable and immovable property;
- the import, export, trade, purchase, sale, treatment, processing, transport, loading, offloading, checking, weighing, monitoring, packing, stacking, stowing, storing of goods of any kind in the broadest sense such as materials, machinery, vehicles, equipment, raw materials, semi-finished and finished products, waste and products for recycling, scrap etc.;
- the rental of vehicles, equipment, machinery and the carrying out of repair works to vehicles, equipment and machinery;
- the granting of loans to third parties as well as issuing a guarantee for the benefit of third parties; and to borrow in any form and proceed to the issuance of bonds, debentures, notes and other instruments convertible or not, without public offer;

All of the foregoing with the express exclusion of any activities considered as regulated activities of the financial sector.

The Company may participate by means of contribution, merger, registration, or in any other way, in all kind of companies, associations, companies that pursue a similar or corresponding objective, or those that can contribute to the achievement, in full or in part, directly or indirectly, of the objective of the Company.

In general, the Company may both within Luxembourg as well as abroad, carry out all civil, commercial, movable, immovable, industrial and financial transactions that are, directly or indirectly, wholly or partly, related to its purpose or which are of such a nature that they realise, contribute or facilitate, in whole or in part, directly or indirectly, the object of the Company.

The Company's financial year begins on 1 January and ends on 31 December. Group entities as defined in Note 2.1 included in the scope of consolidation also have a financial year ending on 31 December except for MG City Station N.V. & MG Residential N.V. which have a financial year ending on 30 September.

The present consolidated annual accounts are presented in thousand EUR, and all amounts stated in the notes are also presented in thousand EUR unless otherwise specified.

The consolidated annual accounts are established in accordance with generally accepted accounting principles and in accordance with the laws and regulations in force in the Grand Duchy of Luxembourg.

Notes to the consolidated annual accounts as at December 31, 2020

NOTE 2 – SCOPE OF CONSOLIDATION AND CONSOLIDATION POLICIES

2.1. Consolidation

The parent company (MG RE Invest S.A.), its subsidiaries and associates included in the scope of consolidation form together "the Group".

Subsidiaries

The consolidated annual accounts of the Company as at 31 December, 2020 include its standalone annual accounts and those of all directly or indirectly majority owned subsidiaries. Subsidiaries are all entities over which the Company exercises control. Control is defined as the direct or indirect power to govern the financial and operating policies so as to obtain benefits from its activities. The existence and effect of potential voting rights that are currently exercisable or convertible, including potential voting rights owned by other entities, are considered when assessing whether the Company controls another entity.

Subsidiaries are fully consolidated from the date on which control is transferred to the Company. They are no longer consolidated from the date that control ceases.

Associates (participating interest)

Associates are all entities over which the Company has significant influence but not control, generally accompanying a shareholding of between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting.

The Company's investment in associates includes goodwill identified on acquisition, net of any accumulated value adjustments.

2.1.b Scope of Consolidation Entities included in the scope of consolidation are listed here:

2.2. Consolidation policies

2.2.1. General Information

The consolidated annual accounts include the balance sheet and profit and loss account of the Group, as well as the present accompanying notes. The accounts of the Group entities have been adjusted when necessary in order to comply with the Group's accounting policies.

2.2.2. Balances and transactions between consolidated companies

All intercompany balances and intercompany transactions have been eliminated.

2.2.3. Profit and loss account

The income and expenses of a subsidiary are included in the consolidated annual accounts as from its acquisition in accordance with Luxembourg legal and regulatory requirements. The income and expenses of a subsidiary are included in the consolidated annual accounts until the date when the parent ceases to control the subsidiary. For the associates accounted for using the equity method, the investor's share of the profit or loss of the investee is recognised in the investor's profit or loss. Distributions received from an investee reduce the carrying amount of the investment.

NOTE 3 – SUMMARY OF SIGNIFICANT GROUP ACCOUNTING POLICIES

3.1. Basis of preparation

The consolidated annual accounts have been prepared in accordance with Luxembourg legal and regulatory requirements, and according to generally accepted accounting principles applicable in Luxembourg ("Luxembourg GAAP"), under the historical cost convention. The accounting policies and valuation rules are, besides the ones laid down by the law of December 19, 2002, as amended, determined and implemented by the Board of Directors. The preparation of consolidated annual accounts requires the use of certain critical accounting estimates. It also requires the Board of Directors to exercise their judgment in the process of applying the accounting policies. Changes in assumptions may have a significant impact on the annual accounts in the period in which the assumptions change. The Board of Directors believes that the underlying assumptions are appropriate and that the consolidated annual accounts therefore present the consolidated financial position and consolidated results fairly.

The Board of Directors makes estimates and assumptions that affect the reported amounts of assets and liabilities in the next financial year(s). Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under these circumstances.

The consolidated annual accounts have been prepared by the Board of Directors on a going concern basis, which assumes the realisation of assets and the discharge of liabilities in the normal course of business for the foreseeable future.

The Group did not experience any negative impact related to the Covid-19 pandemic. In order to ensure the comparability with the figures for the year ending December 31, 2020, kEUR 164.617 have been reclassified from "Stock – Finished goods and goods for resale" to "Stock – Work in progress" in the balance sheet as of 31 December, 2019.

3.2. Foreign currency translation

The Company maintains its books and records in Euro.

All transactions expressed in a currency other than Euro are translated into Euro at the exchange rate effective at the time of the transaction.

Cash at bank is translated at the exchange rate effective at the balance sheet date. Exchange gains and losses are recorded in the profit and loss account for the year.

Other assets and liabilities are translated separately respectively at the lower or at the higher of the value converted at the historical exchange rate or the value determined on the basis of the exchange rate effective at the balance sheet date. Unrealised exchange losses are recorded in the profit and loss account. Unrealised exchange gains are not recognised. Realised exchange gains and losses are recorded in the profit and loss account when realised.

Where there is an economic link between an asset and a liability, they are valued in total according to the method described above and any net unrealised exchange loss is recorded in the profit and loss account whereas a net unrealised exchange gain is not recognised.

For the purpose of consolidating Group entities, the results and financial position of all the Group entities that have a local currency different from Euro are translated into Euro as follows:

- Assets and liabilities are translated at the closing rate at the date of the balance sheet;
- Income and expenses are translated at the average exchange rate of the year;
- Any currency translation differences are directly charged / credited to the translation reserve.

3.3. Intangible assets

Intangible assets are valued at purchase price including the expenses incidental thereto or at production costs, less accumulated amortisation amounts and value adjustments. These value adjustments are not continued if the reasons for which they were made have ceased to apply.

3.4. Tangible assets

Tangible assets are valued at purchase price including the expenses incidental thereto or at production costs, less accumulated depreciation and value adjustments. Tangible assets are depreciated over their estimated useful economic lives. Artwork and land are not depreciated.

Where the Board of Directors considers that a tangible asset has suffered a durable depreciation in value, an additional write-down is recorded to reflect this loss. These value adjustments are not continued if the reasons for which they were made have ceased to apply.

Depreciation is calculated using the straight-line method and taken to the profit and loss account based on the estimated useful lives of the assets. The useful life depends on the type of assets. The depreciation rates applied are as follows:

- Buildings (industrial, semi-industrial, retail, logistic buildings), 20 years (in average)
- Buildings (office buildings), 33 years (in average)
- Plant, machinery and equipment, 15 years (in average)
- Sanitary, 20 years (in average)
- Heating system, 10 years (in average)
- Painting and wallpapering, 5 years (in average)
- Hardware, 3-5 years (in average)
- Vehicles, 5 years (in average)
- Furniture, 5 years (in average)
- Other fixtures, fittings, tools and equipment, 10 years (in average)

The residual value, which is usually set at nil, and the useful lives of tangible assets are reviewed annually on the balance sheet date and adjusted if appropriate.

3.5. Financial assets

Financial assets are composed of deposits and guarantees which are valued at historical value including the expenses incidental thereto.

In case of durable depreciation in value according to the opinion of the Board of Directors, value adjustments are made in respect of financial assets, so that they are valued at the lower figure to be attributed to them at the balance sheet date. These value adjustments are not continued if the reasons for which they were made have ceased to apply.

3.6. Stocks of finished goods and work in progress

Stocks of finished goods and work in progress are valued at the lower of production costs including the purchase price of the raw materials and consumables, the costs directly attributable to the product/contract in question and a proportion of the costs indirectly attributable to the product/contract in question, and net realisable value. A value adjustment is recorded where the net realisable value is below the production costs. These value adjustments are not continued if the reasons for which they were made have ceased to apply.

3.7. Debtors

Debtors are valued at their nominal value. A value adjustment is made when their recovery is partly or completely compromised.

These value adjustments are not continued if the reasons for which they were made have ceased to apply.

3.8. Cash and cash equivalents

Cash and cash equivalents represent cash in hand, bank balances and short-term deposits.

3.9. Prepayments

Prepayments include expenditure incurred during the financial year but relating to a subsequent financial year and financing costs for obtaining loans and borrowings. Financing costs are amortised over the term of the related debt agreements entered into on a linear basis and are fully written off at the latest when the related loans and borrowings are fully reimbursed.

3.10. Provisions

Provisions are intended to cover losses or debts. the nature of which is clearly defined and which, at the date of the balance sheet, are either likely to be incurred or certain to be incurred but uncertain as to their amount or as to the date on which they will arise.

Provisions may also be created to cover charges that have originated during the financial year under review or in a previous financial year, the nature of which is clearly defined and which, at the date of the balance sheet, are either likely to be incurred or certain to be incurred but uncertain as to their amount or as to the date on which they will arise.

3.11. Deferred taxation

Deferred tax assets and liabilities will be recognised for timing differences in the valuation of assets and liabilities for reporting purposes and for tax purposes, as well as for tax loss carry-forwards. The deferred tax assets and liabilities are recognised at nominal value.

Deferred tax assets, inclusive of those resulting from tax loss carry-forwards, are recognised if taxable profit is likely to be available, against which the losses can be offset and offsetting opportunities can be used. Deferred tax assets and liabilities that can be offset according to statutory rights are netted off in the balance sheet.

3.12. Creditors

Creditors are valued at their reimbursement value.

3.13. Deferred income

Deferred income includes income received during the financial year but relating to a subsequent financial year.

3.14. Net turnover

The net turnover includes the amounts derived from the sale of products and the provision of services falling within the ordinary activities of the Group, after deduction of sales rebates and of value added tax and other taxes linked directly to the turnover.

Revenue is recognised in the accounting period in which the services are rendered, by reference to stage of completion of the specific transaction and assessed on the basis of the actual service provided as a proportion of the total services to be provided.

3.15. Interest income and expenses

Interest income and expenses are recognised on an accrual basis.

NOTE 25 – RELATED PARTIES

The Group's subsidiaries are disclosed in note 2.1.

As at year-end, the Group also conducted transactions with related parties with an outstanding position disclosed in note 8 "Loans to related parties".

Information on related parties expenses is disclosed in note 17.

NOTE 26 – OFF-BALANCE SHEET COMMITMENTS

Purchase commitments

The Group has signed the conditional acquisition for a plot of land near Mechelen for the redevelopment of an industrial site. A reimbursable deposit of EUR 4 million has been made. The final purchase is subject to due diligence and expected to be completed by Q3 2021.

The Group has concluded a purchase of an office building near the city of Ghent with a payment settlement in 2022. A bank guarantee has been issued to cover the commitment of the Group.

The Group has, through subsidiaries, signed different letters of intent on several plots in Belgium and the Netherlands without any firm commitments to purchase.

Guarantees

The Group, through its subsidiaries, provided to the different acquirers different representations and warranties in the light of the various disposals that occurred during the past years. Amounts owed to credit institutions for an amount of kEUR 85.608 are covered by mortgages as at December 31, 2020. The different financing institutions required the pledge of financed assets.

Legal proceedings

The Group is subject to a limited number of lawsuits, claims and other legal matters that arise in the ordinary course of conducting business, none of which, in management's opinion, is expected to have a material adverse impact on the Group's financial condition, results of operations or cash flows. The Group also tries to recover amounts, that the management qualifies as normal for the construction & development, from different parties in its ecosystem. It is nevertheless not possible to estimate the contingent asset.

Financial undertakings

Several borrowings were granted to the Group. The Group is jointly and severally liable for the reimbursement of these borrowings.

During 2018, the credit facility of 75 million \in by Belfius has been extended to June 2022 and increased to 80 million \in . As of December 31, 2020, an amount of approximately 23 million \in was undrawn on this framework agreement (2019: 39 million \in).

During 2019, general lines of credit have been granted by ING (10 million \in of which 2,5 million \in undrawn) and BNP Paribas (5 million \in of which 5 million \in undrawn).

Besides the above mentioned general credit facilities, the Group finances its real estate projects with specific credit facilities (such as revolving credit facilities, term loans), which are negotiated on a case by case basis with different financial institutions. In 2016, the Group had issued a 40 million € multi-term note program that has been almost fully underwritten by different investors. In June 2020, the maximum amount of the multi-term note program has been increased to 80 million €. As at year-end the outstanding amount was 42,5 million € leaving 37,5 million € open for new projects.

Financial covenants

The credit facilities and medium term notes are subject to specific covenants which are taking into account the equity and its relation with the financial debt, as well as the generated cash flows. These covenants are fully respected as of 31 December, 2020.

NOTE 27 - EARN-OUT AND TOP-UP

In relation to the disposal of one of its subsidiaries and based on the purchase agreement dated 13 July, 2018, the parties agreed that MG RE Invest S.A. and the other sellers shall be entitled to receive an additional consideration ("Earn Out"), next to the Purchase Price, depending on the actual letting of the buildings to be constructed, in accordance with the terms and conditions of the letting agreement to be concluded with the sellers.

The "Earn-Out" for the redevelopment of the Land shall be paid by the Purchaser to MG RE Invest S.A. and the other sellers at the latest one month after the acceptance by the respective lessee for the building(s) to be constructed on the Land under Development.

This "Earn-out" shall be applicable for 36 months following the Closing Date.

Based on the purchase agreement dated of 13 July, 2018, the parties agreed that MG RE Invest S.A. and other sellers shall be entitled to receive an additional consideration, next to the purchase price, for the development of Eutraco Warehouse C and Post NL, both to be completed in 2021.

NOTE 28 – SUBSEQUENT EVENTS

In January 2021, the Group signed a lease contract for approximately 10,000 square meters for a logistic development in the area of Willebroek.

The Group has started the pre-sales of the Maple Garden residential project. Up to date approximately 65% of units are pre-sold before construction has started.

The Group is in process of issuing a listed retail bond on the Belgian stock exchange in the coming weeks. In this context, the Company is currently updating its articles of incorporation to allow the transaction.

Independent auditor's report

To the Shareholders of MG RE Invest S.A. 5, Rue Heienhaff L-1736 Senningerberg

Opinion

We have audited the accompanying consolidated annual accounts of MG RE Invest S.A. and its subsidiaries (the "Group"), which comprise the consolidated balance sheet as at 31 December 2020, the consolidated profit and loss account for the year then ended, and the notes to the consolidated annual accounts, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated annual accounts give a true and fair view of the consolidated balance sheet of the Group as at 31 December 2020, and of the consolidated profit and loss account for the year then ended in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the consolidated annual accounts.

Basis for Opinion

We conducted our audit in accordance with the Law of 23 July 2016 on the audit profession (the "Law of 23 July 2016") and with International Standards on Auditing ("ISAs") as adopted for Luxembourg by the "Commission de Surveillance du Secteur Financier" ("CSSF"). Our responsibilities under the Law of 23 July 2016 and ISAs as adopted for Luxembourg by the CSSF are further described in the "responsibilities of the "réviseur d'entreprises agréé" for the audit of the consolidated annual accounts" section of our report. We are also independent of the Group in accordance with the International Code of Ethics for Professional Accountants, including International Independence Standards, issued by the International Ethics Standards Board for Accountants ("IESBA Code") as adopted for Luxembourg by the CSSF together with the ethical requirements that are relevant to our audit of the consolidated annual accounts, and have fulfilled our other ethical responsibilities under those ethical requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Board of Directors for the consolidated annual accounts

The Board of Directors is responsible for the preparation and fair presentation of these consolidated annual accounts in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the consolidated annual accounts, and for such internal control as the Board of Directors determines is necessary to enable the preparation of consolidated annual accounts that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated annual accounts, the Board of Directors is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the "réviseur d'entreprises agréé" for the audit of the consolidated annual accounts

Our objectives are to obtain reasonable assurance about whether the consolidated annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue a report of the "réviseur d'entreprises agréé" that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated annual accounts.

As part of an audit in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated annual accounts, whether due
 to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a
 material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
 involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
 are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report of the "réviseur d'entreprises agréé" to the related disclosures in the consolidated annual accounts or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our report of the "réviseur d'entreprises agréé". However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated annual accounts, including
 the disclosures, and whether the consolidated annual accounts represent the underlying transactions and
 events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities and business activities within the Group to express an opinion on the consolidated annual accounts. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
